

NATIONAL DONATE LIFE MONTH

EVERYDAY HEROES HELP END THE WAIT

Each April, we celebrate **National Donate Life Month** with the support of our partners at Nevada Donor Network and the more than 100,000 Americans waiting for their second chance at life through organ, eye and tissue donation.

Here are a few ways you can support:

1) Raise Awareness

- Wear blue & green on April 14, 2023 in honor of Donate Life Blue & Green Day! Snap a photo and tag us for a chance to win prizes.
- Share ready-to-post content and graphics from our website at www.nvdonor.org/april.
- Attend both of our Donate Life 'Knights' at T-Mobile Arena for Vegas Golden Knights on April 6, 2023 and at Dollar Loan Center for Henderson Silver Knights on April 7, 2023.
- Educate the community (request informational materials at no cost to you.)
- Create a video to share your connection to donation, why you registered to be a donor or, help us debunk some common myths and misconceptions about donation!
- Sign up for our Hope Glows Fun Run/Walk! Come glow with us on April 29, 2023 at Exploration Peak Park. More details can be found at www.nvdonor.org/hopeglows.

2) Raise Funds

- Donate a portion of proceeds from sales to benefit the **Nevada Donor Network Foundation**.
- Offer customers the opportunity to give \$1, \$2 or \$5 towards supporting the lifesaving and healing mission of donation. We will provide printed information about the need for organ donation and custom designed hearts for customers to write their name or message of hope.

3) You Tell Us

- You know your audience best! If you have another idea in mind to support, we would love to hear it.
